Dear Court Leader,

The National Association for Court Management (NACM), with more than 1,700 members from all levels and types of courts throughout the United States and internationally, is the largest organization of court management professionals in the world. NACM continually provides court management professionals with the opportunity to increase their proficiency in the field while networking with colleagues to promote a common goal: improving the administration of justice. In collaboration with the International Association for Court Administration (IACA), NACM invites you to join us July 9-13, 2017, in Arlington, VA – minutes from Washington, DC - for an outstanding educational conference to our collective members.

Today's court leaders, administrators and judges are faced with a myriad of challenges that must be addressed effectively to fulfill the public's trust in them as public servants. The conference agenda will include six plenary and over 48 breakout sessions. Topic areas include: Equal Access to Justice; Court Governance and Leadership; Technology and Its Deployment; Promoting the Rule of Law; NACM Core (with the copyright); Independence and Accountability of the Judiciary; Space Facilities, and many others. The conference theme, ***Excellence on a Global Scale***, reflects the commitment of both NACM and IACA to the worldwide improvement of the administration of justice.

NACM and IACA Members can enjoy the "Early Bird" registration rate of \$585 through June 15, 2017 and a \$175 per night conference hotel rate until June 15, 2017 (or until the block is full), with potential savings for Early Career Professionals and groups of ten or more. Conference attendees can expect to enjoy numerous thought-provoking educational sessions, organized social and networking events to include a special evening at the Library of Congress, and a robust vendor and exhibit show. For more information, including the conference agenda, please visit the conference webpage at <http://nacmconference.org/>.

This educational opportunity is uniquely designed for court professionals. I encourage you to support your staff's attendance at the conference to develop skills that will enhance your court or, alternatively, that you will consider engaging with your colleagues to advance the field of court administration by attending the 2017 Annual Conference.

Thank you for your continued dedication to the judicial branch of government and the important role you play in advancing the administration of justice.

Sincere regards,

Scott Griffith, President
