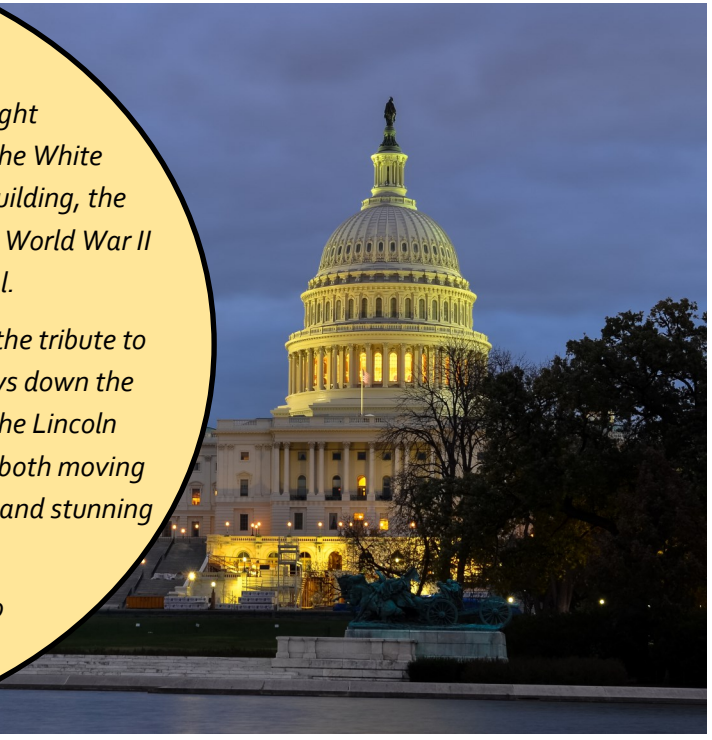
Perhaps the most enchanting way to enjoy the sights of Washington is to do so by moonlight. In this all-encompassing night tour of Washington, guests will pass such sights as the White House, the U.S. Capitol Building, the Old Post Office Building, the Washington Monument, Smithsonian Museums, and the World War II Memorial, Tidal Basin and Jefferson Memorial.

A stop at the Lincoln Memorial will allow you to explore the tribute to President Abraham Lincoln and enjoy the stunning views down the National Mall and Potomac River. A short walk from the Lincoln Monument is the Vietnam and Korean War Memorials – both moving tributes to our country men who served in these conflicts and stunning to see cast in an amber glow at night.


This evening serves as a truly elegant way to see this magnificent city.
