Dear Court Leader,

The National Association for Court Management (NACM), with more than 1,700 members from all levels and types of courts throughout the United States and internationally, is the largest organization of court management professionals in the world. NACM provides court management professionals with the opportunity to increase their proficiency in the field while networking with colleagues to promote a common goal - improving the administration of justice.

In furtherance of this goal, NACM will host the 2019 Annual Conference, July 21-25, 2019 in Las Vegas, Nevada. The conference theme is "*Courts & Society: Creating Public Trust through Engagement and Innovation.*" Creating public trust through engagement and innovation is more than an ideal; it requires action. Court professionals share the responsibility of building strategic partnerships with the communities we serve and must meet the challenges presented by our changing society and the demands placed upon us by our citizenry. This conference will provide attendees with training and networking opportunities that will reflect this responsibility.

NACM members can enjoy the "*Early Bird*" registration rate of \$615 through April 12, 2019, and a \$165 per night conference hotel rate until June 29, 2019, with additional savings for Early Career Professionals and groups of ten or more. Conference attendees can expect to enjoy numerous thought-provoking educational sessions, organized social and networking events, and a robust vendor and exhibit show. For more information, including the conference agenda, please visit the conference webpage at [www.nacmconference.org](http://www.nacmconference.org).

This educational opportunity is uniquely designed for court professionals. I encourage you to support your staff's attendance at the conference to develop skills that will enhance your court or that you will consider engaging with your colleagues and advancing the field of court administration by attending the 2019 Annual Conference.

Thank you for your continued dedication to the judicial branch of government and the important role you play in advancing the administration of justice.

Sincerely,

Paul DeLosh, President
